ōKaleidoscope of the Artsö

Music, Drama and Art highlighted

Dunmore, AB- Prairie Rose School Division is proud to present the 1st Annual ōKaleidoscope of the Artsö designed to highlight some of the many Fine Arts initiatives taking place across the region.

On Saturday, May 24, 2008 from 1:00 p.m. - 4:00 p.m. the public is invited to drop by the Medicine Hat College as students showcase their love and passion for the arts. Several pieces will be on display to enjoy highlighting many different forms of art. The afternoon showcase will also include a full slate of performances designed to impress both the music and theatre lover.

ōPrairie Rose School Division is very fortunate to have so many talented students,ö says Superintendent Doug Nicholls. ōIn order to properly highlight these talents the Division felt it was only appropriate to host an event just for them. We are very proud of all of our studentsøsuccesses.ö

The Division would like to thank the Fine Arts Committee for its hard work and vision in making this event happen. If you would like any further information, please contact either Dennis or Angela at the numbers below.
