Be Prepared”

Hold and Secure Protocol

- There is an emergency situation in close proximity to the school, **OUTSIDE** the school on school grounds and/or unrelated to the school.
- All exterior doors to the school are locked.
- The school operates as normal, inside the school walls. Any outdoor activities, field trips, etc. are cancelled.
- As the incident is occurring outside, access to and from the school is restricted and carefully monitored.

How will parents be notified if the Hold and Secure protocol is initiated?

Parents will be notified when the Hold and Secure protocol is activated by phone, text and email using the division's School Messenger system. An overview of the incident will also be posted on the division website and social media accounts. If required, additional updates will also be provided using these methods.
